- Consultancy in 2020-21
- Patents filed in 2020-21
- Faculty registered as a Research supervisor in VTU in 2020-21
- Extension and Outreach programmes conducted in 2020-21.

Mr Venkatavardan, Parent representative has expressed that more certification course on bigdata shall be offered to the students, as there are more openings for big data in Industries.

Item No.2: Review of Autonomous Results:

Prof Vaman B Gudi, Registrar and COE presented the Autonomous Results to all the members of IQAC. In 2020-21, only Odd Semester exams were conducted due to pandemic. Even Semester will be assessed based on the Odd Semester results and CIE Performance in Even Semester.

- Mr Venugopal Rao has expressed that the summary of results shall be presented, stating subjects where results are less. This will help the next batch students and staff members to focus on those subjects.
- These action items will also help to identify the methodologies to give special coaching for slow learners.
- Dr N Alagamurthy, has expressed Autonomous results must be published within two weeks of last date of exam as per NBA and NAAC requirements. He also expressed that summary of Result analysis shall be presented. Micro level analysis also shall be presented to understand scope of improvement. Improvement is required in exam results

Item No.3: Formulation of Curriculum for 2021-22 by incorporating the guidelines of NEP 2020:

Prof Vaman B Gudi, Registrar and COE has presented the Formulation of Curriculum for 2021-22 by incorporating the NEP 2020. Since as per VTU directions the scheme released by the VTU should be followed by all autonomous engineering colleges, MVJCE also follows the same scheme.

- Mr Rahul, Alumnus has expressed that 'Buddy and Mentor' concept shall be introduced for ability enhancement programs, which will help them in understanding the concepts easily.

- Members expressed that all the activities planned should match with the targets given to the departments.
- HODs should do the need analysis to offer certificate courses to students. Certification courses shall be chosen based on the interest of the students, Industry requirements and emerging trends.
- All the activities planned for the next academic year shall be reviewed again internally to meet the targets set for departments.

Item No.6: Approval of Vision, Mission, PEOs, PSOs of AI & ML, DS, IIOT, CSD Departments

HODs of respective departments presented the Vision, Mission, PEOs, PSOs of AI&ML, DS, IIOT, CSD Departments.

- Dr N Alagamurthy expressed that, Vision Mission, PEOs and PSOs of the departments should be made specific to the department, rather than making it general.
- Industrial exposure shall be included for Data Science Department.
- Core competencies shall be made more specific.

Item No.7: Any other item with the permission of the Chair

Dr N Alagamurthy expressed that there is a good progress compared to last meeting. IQAC members suggested to have review meeting to monitor the progress of target set for Departments and departments must plan and prepare an action plan to achieve the targets.

Summary of Action Items:
