

MVJ College of Engineering, Department of Management studies, AgniUdaya – The Management Club organized Club Activity, BEST MANAGER on October 25, 2017. The session started with formal welcome and introduction of the event.

A manager is to an organization what a Honeybee is to a Bee hive, instilling purpose into their flights. Like a honeybee that collects nectar, a manager should also be equally resourceful, patient and persistent. Those are just a few from the list of must-haves for a manager. The event was intended to test the business knowledge and groom the students for leadership position.

The event commenced with great enthusiasm, zeal and competitive spirit.

Students participated across all the three rounds of the activity and best participants were taken forward at every stage.

The students could test their business knowledge and enhanced skills like team spirit, professional communication, interpersonal communication and decision-making skills.

The activity concluded with valedictory ceremony with immense applauds for the winners.

Winners of the BEST MANAGER:

First Position: KamalKanth, MBA Sem III & Rakshika Naidu, MBA Sem III

First Runner Up: Bharanichitra, MBA Sem I
