

The Alumni vs. Cricket match was organized by the MVJCE Alumni Association to foster the interaction of the prestigious Alumni of MVJCE and the current students and also provide a platform for the Alumni to network with each other.

Welcome Session with the Alumni from various branches and batches

The Alumni of MVJCE arrived by 11.00 a.m. in full form with their respective teams despite the sultry weather. **Dr. N. Gunasekaran, Principal, MVJCE** and **Prof. M. Brindha, Vice Principal, MVJCE** welcomed and shared a few words of encouragement with the participants. An alumnus from the batch of 87 bowled the first ball and our Principal kick started the event by making the first shot. Around 5 teams comprising of 11 players per team from the Alumni registered for the cricket match. Another 4 teams were from our college.

The Alumni & students participating and watching the match

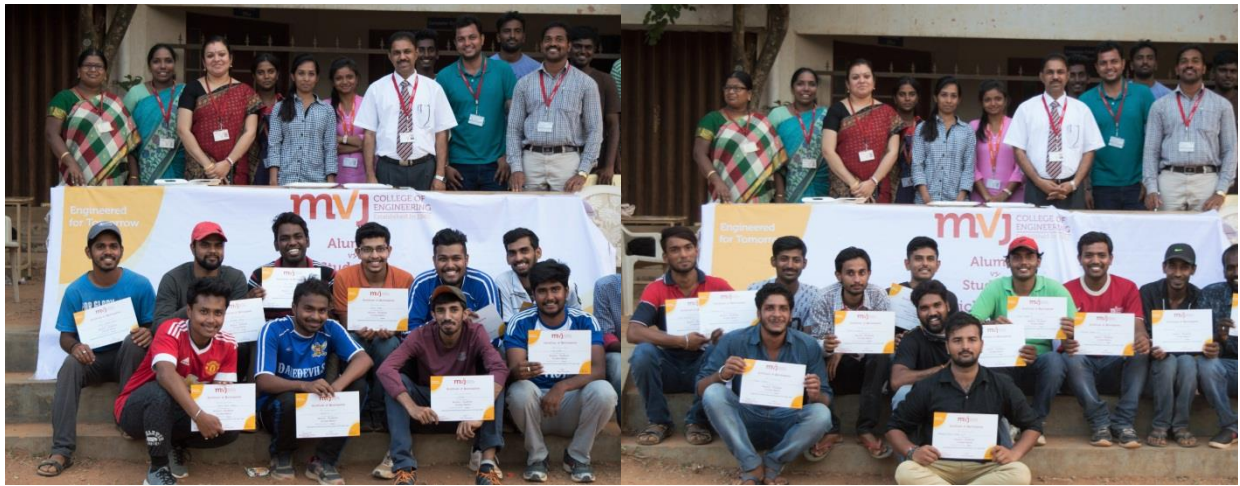

“The Alumni may have left the college, but they have not left cricket” was the astute observation made by the commentator during the preliminary round. With 8 teams set to unleash their passion towards the game they love, first round of this inaugural event comprised of 4 knockout matches (each innings played for 6 overs).

The winner of each team cruised their way to the semifinals. The semifinalists (team 1 headed by Vamshi Reddy, team 6 headed by Rahul C.S., team 4 headed by Shashank and team 2 headed by Kishor) locked horns with each other to qualify for the decider .

After a stiff competition, team 6 lead by Rahul C.S. (alumni) clashed with team 1 lead by Vamshi Reddy (alumni) for this final encounter.

A cracking game of cricket came to an end with Vamshi's team clinching a monumental victory. Vamshi Reddy was awarded man of the series for his 48 balls 100 run knock in three matches while bagging crucial 6 wickets.

The runners up (top) led by Rahul C.S. (Alumni) and the winners (bottom), led by Mr. Vamshi Reddy(Alumni)

The Alumni shared their experience, reminisced their college days and extended their appreciation for bringing them together.
