

MVJ College of Engineering had organized “Alumni Meet 2017” on May 06, 2017. The occasion aims at strengthening the ties between the Alumni and Alma mater.

*Lighting of the Lamp, Dr. K V Subramaniam, Professor, PES University*

This year witnessed the homecoming of the Silver Jubilee batch of 87 and the Pearl Jubilee batch of 82. The Alumni from the batches of 82 to 92 had come from various parts of India and abroad to meet up with their friend, some after 25 years. Prof. M. Brindha, Vice Principal, MVJCE extended a heartfelt welcome to the dignitaries, Heads of the department, faculty members, staff members, students and Alumni of the institution. She denoted the event as coming back home to remember, refresh and reconnect.

*Homecoming of the batches of 82 to 92*

The event commenced on an auspicious note with invocation song by Mr.Pankaj and lighting of the lamp. The occasion was graced by honourable chief guest, Dr. K. V Subramaniam, Professor, Department of Computer Science Engineering, PES University, Bangalore.

*Prof. M.Brindha, Vice Principal, MVJCE  
welcoming the Alumni*

*Dr. N. Gunasekaran, Principal, MVJCE  
delivering the college report*

Dr. Gunasekaran N., Principal, MVJ College of Engineering extended warm welcome and presented the college report that the accolades of the institution. Some of them included 21 VTU ranks bagged by students across all streams, M V Jayaraman Gold medal for academic excellence, Research and Development Projects, patents filed by the students and faculty members, funded projects by ISRO, DRDO and many such esteemed agencies. Dr Gunasekaran added further that college aims at 360-degree development of students to meet the ever-increasing expectations of the industry. Dr. Gunasekaran N also appreciated the diversity that thrives in the institution.

The Chief Guest, Dr. K. V Subramaniam, Professor, Department of Computer Science Engineering, PES University, Bangalore expressed his nostalgia for his college days and was delighted to see great response for the Alumni meet 2017. He expressed heartfelt gratitude towards Dr. M V Jayaraman, Founder, MVJCE. He insisted on having more such events to share new avenues and opportunities.

A briefing of the Alumni Association was given by Ms. Preethi Sheba Hepsiba, Alumni Coordinator, MVJCE. The association was incepted to create a forum for interaction. The Alumni are regularly invited for judging various events, guest lectures, mentoring programs and many more. Ms. Preethi also briefed us about the Alumni-Student cricket match conducted in April '17.

The session was followed by a nostalgic presentation showcasing memories since inception. The presentation was put together by Mr. Gautham Hariharan from the photos submitted by the Alumni from the 82 batch right up to the latest 2016 batches.

A sharing session was moderated by Mr. Nikhil Y., an alumnus of Computer Science Engineering. The Alumni across all the batches shared their experiences and memories filling the environment with lighter and nostalgic moments. They fondly recalled their college days, the mischief they had done and the achievements they had accomplished.

*The sharing session of the alumni of batches 82 to 92 hosted by Mr. Nikhil Y(Alumnus of CSE, MVJCE)*

*The Music Club performing a medley of songs*

The sharing session was followed by entertainment programs by various clubs of MVJCE to celebrate the home coming of the alumni. The music club performed a medley of songs celebrating friendship. The drama club of MVJCE put up a humorous skit on engineering life. The dance club of MVJCE gave a vibrant performance.

*The drama Club enacting the bus ride to college*

*The vibrant performance by the Dance Club*

The formal procedure concluded with Vote of Thanks by Prof. Sanchari Saha, ASP, Dept of CSE. The vote of thanks was followed by felicitation of chief guest Dr. K. V Subramaniam, Professor, Department of Computer Science Engineering, PES University, Bangalore by Prof. M. Brindha, Vice Principal, MVJCE as a mark of reverence.
