

Institutional Strategic/Perspective Plan for 2021-22

1.Submission of Compliance report to NBA for three Programmes:

IQAC has taken initiatives to prepare and submit compliance report to NBA for three Programmes: : Chemical Engineering, Electrical and Electronics Engineering, Information Science and Engineering. Based on the compliance report and NBA Peer team inspection visit, NBA accreditation has been extended for another 3 years to all the four programmes (2022-23 to 2024-25).

2. Nodal team to implement the SoP of CoVID19 during pandemic:

Nodal Team constituted for this purpose and the efforts taken in the last year is continued to implement all the Standard Operating Procedures as per the Government norms. All the events like guest lectures, workshops and FDPs, Department meetings, HoDs meetings are organized in the online mode.

3. Faculty training:

Faculty members are trained to use digital technologies, various platforms available to handle online classes.

4. NIRF Ranking:

Efforts are taken to improve the scores in all the parameters in NIRF ranking. For this purpose, Institution data was analysed with other 20 colleges and action to be taken to improve all the parameters have been analysed and discussed in IQAC.

5. Introduction of Ability Enhancement Courses:

The Ability Enhancement Courses are introduced from the academic year 2021-22. IQAC suggested to offer 4 weeks Intra-Institutional Internships to all I year students.
