DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING  
NIC CLUB**

**EVENT – SPARKLE DASH**

The NIC Club of MVJCE was proud to host event for pre-final and third year students. The event E-Poster and Teaser ads helped the students to enhance their technical skill in multimedia content creation and presentation. It embraces and encourages them to enter into multimedia and animation industry. It bought out the creativity using technical skills and improved the presentation skills of the students.

The event was scheduled for 2.5 hours with 2 rounds.

The round one is E-Poster in which students need to prepare a poster to convey the theme and its implications effectively. The theme was ‘ALUMNI AND GRADUATION DAY’; they have to use software’s like Photoshop and CorelDraw to create the poster. Around 27(8 teams) students from CSE department participated. Round one is for 1 hour. The judgment is based on creativity, completion, number of layers used and professional aesthetics. At the end of round one all 8 teams were allowed for round two.

The round two is Teaser ads creation in which students has to create teaser with latest tools like Light works, Adobe premiere, sound forge etc. The theme was ‘SWAYAM’ and time duration of teaser is 2 min. the judgment for 2<sup>nd</sup> round was based on sound, composition, stop-motion animation, completion, rendering and creativity and ascetics. At the end of round two 3 teams were selected as winner in which the second place was shared by 2 teams.

The event was a good platform for the students to showcase their creativity. The students got a better picture of how to go about using Photoshop for better UX/UI design.
