

Pollution Control Rally (2/12/15)

NSS unit of MVJCE with the support of the Karnataka pollution control board (KPSCB), college management, principal and VTU organized a save water rally on **(2/12/14)** in an effort to create awareness among the people about the effects of water pollution and its prevention on the occasion of National Pollution Control Day.

The rally which had a participation of around 780 student volunteers and around 15 staff members from our college. The rally was inaugurated by the Principal Dr. Shanmugaradhya at 8:30am from college grounds by administering the oath and covered a distance of about 5km. the rally covered areas in and around the college which included Channasandra and Kadugodi.

During the save water rally the students showcased the placards and distributed over 500 pamphlets among the people. The rally was able to attract the interest of the people and press media. The rally was successful in educating the people about the importance in saving the water.

We are greatly thankful to the Karnataka pollution control board (KPSCB) for their valuable suggestions for the rally. Finally we thank our management, principal and VTU for their support in organizing the program.
