

SWAAWALAMBAN PROGRAMME-24/4/2014

Under the guidance of NSS Volunteers with clothes collected from the donors and supported by Visvesvaraya Technological University (VTU), Belgaum, the NSS volunteers of MVJCE took part in Swaawalamban Programme on 24th April 2014, which aimed at collecting old but good conditioned clothes from the staff and students of MVJ College of Engineering and donating it to the people in need with the help of an NGO. NSS volunteers had done campaigning about the programme in the campus earlier to the date to ensure more clothes can be collected. On 24th April 2014, all the clothes were collected from the donors. Around 500 plus pairs of clothes were collected from the 50 staff and 100 students which were later handed over to the people in need with the assistance of NGO.

We would like to thank our Management, Principal, NSS officer and VTU for providing the opportunity and support till the end of the programme and making it a grand success.
