

Software Development Club Event

Seminar on career opportunities in UI/UX Design

The Software Development Club of MVJ College of Engineering organized a “Seminar on career opportunities in UI/UX Design” on 21st April 2018. The main goal for this seminar was to introduce to students the field of UI/UX design in computer science.

Unlike more of programming and logical thinking, the seminar motivated the students to utilize their creativity in the field of design. The field of UI/UX has been highly awarded and of the most creative fields to work in. The focus was to introduce to students about UI/UX design, its career prospective and how they can grow as an individual in this career.

The seminar took place at Seminar Hall 4 in the presence of Mrs. Pramela Devi I (Head of Department, CSE), Mrs. Sindhuja K (AP, CSE, SDC Coordinator and Mrs. Deepa Acharya (AP, CSE) and the student coordinators of SDC.

The event began at 1:30 p.m. There were a total of 50 participants from various departments. Welcome address was given by Mrs. Deepa Acharya (AP, CSE) followed by the speech on the importance of the seminar by Mrs. Pramela Devi (HOD, CSE).

The session was handled by Mr. Himanil Gole (VIII SEM, CSE). As an intern, Himanil had the opportunity to work as UI Designer at Hyperloop India, Interaction Design Intern at CBREX -An AI driven Recruiter Exchange, UI/UX Designer intern at Hashworks IT Services Pvt Ltd.

In the seminar, students got to know about the world of design. The seminar focused on UI/UX as a career, educate students about UI (User Interface) and UX (User Xperience), make them know the difference between UI and UX, How to evolve as a designer, tools and software used in design, career prospective and portfolio building.

The participants were given a group activity where they learnt about design thinking and how to apply design thinking in everyday life. They were also encouraged on finding their passion. Another group activity was conducted, where the participants were asked to make an app design, which they presented and also were given feedback about.

Mrs. Sindhuja K (AP, CSE, SDC Coordinator) appreciated Mr. Himani Gole (VIII sem, CSE) who came forward to motivate his juniors and encourage them to build their career in the field of design.

Overall the students got an insight on the future prospects in UI/UX design, ways and means to learn UX/UI design and how to make a career in UX/UI design.
