DEPARTMENT OF EEE
CLUB ACTIVITY 2017 -2018(ODD)**

NAME OF THE CLUB: SPARK
EVENT NAME –TECHPRISA

The Department club activity "TECHPRISA" was conducted on 6.10.2017, Friday.

Students assembled around 2.00pm at Seminar Hall 5.

Total 45 teams (2 students per team) participated in the event. It was conducted as three rounds. First round was conducted in Seminar hall 5. For the first round, students were asked to solve the Aptitude test questions which was conducted for 20 minutes and 12 teams cleared it.

In second round students must identify the faculties to get the components. They were given with clues to identify the faculties. Once they identify the faculties they collected the components from the faculties who were available in the department as well as in the lab. In this round out of 12 teams 6 teams finally came into the final round.

The final round was conducted in seminar hall 5. All the 6 teams had to design a complete circuit using the components and had to explain the working of the circuits. Their circuits were evaluated by the concerned faculty and based on their aptitude test and designed circuits, winners were declared.
