The team participated in the 'VTU Inter-collegiate Badminton Tournament', organized by Nitte Meenakshi Institute of Technology, Bengaluru, on 27th August and 28th August, 2018.

The MVJCE team qualified for the semifinals, by defeating B.M.S college of Engineering in the quarter-finals. Unfortunately, in the semifinals, they lost against the home team Nitte Meenakshi Institute of Technology. But our team gave a good fight, indeed!

OUTCOME:

1. The physical fitness of the MVJCE Badminton team was very good, but apparently, the number of practice sessions was not enough.
2. As there is no Badminton Indoor Stadium in our College, the students were not able to perform to their optimum levels.
3. More practice sessions and fitness sessions are the need of the hour. These will help our boys to improve their game, and play well in the upcoming Tournaments.
