(CHARTERED)

Meeting No. #23 (POST)

Start Time: 5:30 pm

End Time: 7:26 pm

Attendance: 17

Platform: Zoom

We started the meeting at 5:30 pm sharp and introduced the guests. Our TMOD TM Saurabh (SDMCET TMC) came up with an interesting and motivating theme 'It's never too late'. He gave his set of examples and explained the meeting structure. Our speakers gave their speeches, not exceeding the time limit - they also stood up while delivering their speeches, and this added flavour to the segment.

Then came the Table Topics segment, our TTM gave topics which were related to the theme. And our Listener TM Aparajita noted the interesting pieces of information and questioned us in the Listener's segment. This one was great fun and interactive too.

Our General Evaluator TM Deepikaa and her tag team evaluated the meeting and gave valuable feedback for improvement in the upcoming meetings. As TM Deepikaa had taken up the role of GE for the first time, the club appreciates her for that effort.

At 7:26 pm we clicked a picture together and closed our 43rd meeting successfully, with a bunch of winners.
