The TMOD chose a very interesting topic, The Mandela Effect, based on something she had recently come across. Many amusing and surprising facts were thrown up, making the meeting very enjoyable. Three L1P22 speakers gave their speeches during this meeting and received pertinent feedback and successfully completed the project.

In the Table Topics session, TM Lavanya experimented with new types of Table Topics prompts. They were both challenging as well as fun.

Our General Evaluator TM Rakshanda and her tag team evaluated the meeting and gave useful feedback to improve ourselves, in the upcoming meetings. The GE's meticulous report gave very practical suggestions to work with, moving forward.
