REPORT - MEETING NO. 94

The MVJCE Toastmasters Club held a meeting on 13th January 2023, at 6:30 pm. The meeting was online and was also open to guests.

The meeting was presided by Toastmaster Prateek Agarwal. The meeting consisted of a Debate segment, Prepared Speeches segment, Table Topic segment and Evaluation segment. In the Prepared Speeches segment, Toastmaster Preeti Jain gave a speech. The speech was a wonderful representation of how we should live our life to the fullest and focus on the better things in life rather than on the unpleasant parts. The speech was later evaluated by Toastmaster Vatsala.

The Debate segment consisted of two speakers, they were given the topic 'Should Homework be banned'. Toastmaster Jeevan was asked to speak in favor of the topic and Toastmaster Deepak was asked to speak against the topic. They were evaluated by Toastmaster Smruthi, who gave appropriate suggestions and applauded the good arguments in their debate.

This was followed by the Table Topics segment. 9 speakers opted to speak in this segment. All of them spoke magnificently on the topic that had been given to them, on the spot. The evaluation segment was led by Toastmaster Ishaan. Once the TAG Team presented its reports, the General Evaluator evaluated the entire meeting, pointing out the areas where there could be improvements, as well as the portions which had been brilliantly performed.
